

NICKEL QUILT WORKSHOP SUPPLY LIST

Nickel Quilts- scrap quilting at its best. Stunning traditional and original patterns, a rainbow of gorgeous colors, and an all new approach to making scrap quilts that sparkle. Start by cutting 5 “ squares from your stash fabrics. Once you have your stack of squares, half the work-the cutting –is done!

Flying Geese Units- 4 quilts to make

Featuring: Dutchman’s Puzzle, Stars Over Mitford, King’s Crown, and Delta Star. We will construct this unit with the flip and sew method. No triangles to cut or bias to work with! I will show you several great borders using these units. A handout will be given for a second method for making flying geese from 5” squares. A handout will be given and discussed on how to make your pieced border to fit your quilt top. Rated for all skill levels.

Materials- please note that the requirements listed below are for the lap size for each of the quilts. If you wish to make a larger size, please refer to the material charts in the books:

Nickel Quilts or the Big Book Of Nickel Quilts, if making the Dutchman’s Puzzle
More Nickel Quilts or the Big Book of Nickel Quilts if making Stars Over Mitford or King’s Crown

Amazing Nickel Quilts if making Delta Star

Material requirements are given in 3 sizes for each of the quilts in the books. You should come to class with at least half of the 5” squares cut and ready to sew. Cutting your squares at home where you have more space. Please note: you will need border fabric, backing, and batting to finish your quilt, please refer to the material charts for the quilt you are making.

If you don’t have a copy of the book yet, you can view pictures of the quilt on my website www.patspeth.com

Bring a few extra light and dark 5” squares for practicing the technique.
