

2024 Quilt Show Banner Challenge

Temperature Banner showing the month of your birthday

Starts Jan 2023

- Use the month of your birthday
- Record high and low temps each day (See example A) on form provided
- Use 3" finished squares as your starting grid
- Layout is 3" squares x 17 squares, the month and year go at the bottom of quilt (See example B)
- Order of blocks is 1 and 2, next line 3 and 4, next line 5 and 6, etc (See example B numbers)
- Design your choice of block to use for showing the low and high temp each day
- Temperature colors are suggested on handout
- Extra days can be placed anywhere in your design and can be a simple square or any other design
- 4" sleeve will be needed at the top
- Put your name and birthday month on the label

Random samples of temperature quilt designs or design your own
